Subject: Fw: Gulfco Freeport Area Contact

Mr. J. Huisman just called me and introduced himself. He is the Public Affairs Leader for Dow Chemical in Texas, headquartered in Freeport. He offered his services in any way and seemed very nice. I explained to him about our Public Affairs and briefly outlined my position for him. He asked how we communicated with the community and I explained that to him - fact sheets, meetings etc. - and in order to alleviate any of his concerns, I asked him if he would be kind enough to provide us with a mailing list of the prp's who should be on our mailing list and he agreed to do so. I did tell him that we would be holding an availability session sometime in September but I did not mention meeting places but I did tell him that all the prp's would be informed of any meetings so that they would have an opportunity to attend and that I would be sending copies of any mailings to Eric Pister before they went out. - per our agreement. I did not, of course, offer them any "participation" (per Betty) or "change" privileges.  
:-)

His concern seemed to be that they are aware of information that we send out - in order for them to be prepared to answer any questions that they might receive. Or refute? :-)

Just thought I would let you know.

Subject: Gulfco Freeport Area Contact

Hi June -

Thanks for meeting with us in the Gulfco scoping phase meeting on August 4. In the meeting, I offered to provide you with the contact information for Jan Huisman at the Dow Freeport facility in case you wanted to touch base with him regarding potential meeting locations or other local information during your upcoming trip to the area.

His contact information is:

JHuisman@dow.com

Office: 979 238 7623

Cell: 979 235 7456

Pager: 888 477 1005

Fax: 979 238 3689

I told Jan that you might be contacting him and he is happy to provide any support you may need.

Thanks again.
